Aloha e nā 'ohana Kamaile,

Our secondary teachers have begun implementing mandatory Academic Success Hours for our secondary students. Our teachers will be reaching out to parents/guardians if your keiki is required to attend these mandatory sessions. Attendance will be taken daily, however, students may only be asked to attend periodically.

The purpose of the Academic Success Hour is to give additional help to students who are performing below their reading and math grade levels. Through the iReady assessment, keiki who are in need of extra support have been identified and will be required to attend Academic Success Hour sessions. Our teachers will be working with your keiki in small group sessions.

Academic Success Hours are weekly on Tuesday, Wednesday, and Thursday from 12:30pm-1:30pm. If your keiki is required to attend, a link will be provided with a link to attend virtual sessions.

If you have any questions, please contact your child's advisor.

Mahalo,
