January 28, 2021

Aloha Parents, Guardians, and Students,

The purpose of this communication is to inform our families that Kamaile Academy will **begin Phase 2 of our return to campus plan on Tuesday, February 9th**. This decision was made based on guidance from the Department of Health and the general downward trajectory of COVID case count and positivity rate within the community.

What will Phase 2 on February 9th look like?

All students whose families have requested the option of a Blended Learning setting will return to campus two days per week on their assigned days. The remaining students will continue with distance learning from home.

- This means, a total of approximately 440 students will be returning to campus
 - Monday and Tuesday (approximately 220 students on campus)
 - Wednesday and Thursday (approximately 220 students on campus)
 - Some students will be on campus for more than 2 days on a case-by-case basis to address unique individual learning needs

Families that selected blended learning options were notified via email on December 18th with a specific schedule that indicated what days their student(s) will be on campus. Please be on the lookout for a schedule confirmation from your child's homeroom teacher via email, phone, or ClassDojo within the next week.

Our Wai'anae community should be proud of the recent decline in positivity rate and the significant drop of active cases. As we move forward, let's continue to all do our part to keep one another safe.

Should you have any questions or concerns please feel free to contact your child's homeroom teacher, info@kamaile.org or call 808-697-7110.

Mahalo for your continued support.
