Gratitude is an Attitude

and we have much to be thankful for!

As we are surrounded by e aloha and celebrations of mahalo in this season, let us not forget about Lā Kū'oko'a! On November 28th, 1843, Hawai'i's independence was recognized by the United States, Great Britain, and France. Kū ha'aheo e ku'u Hawai'i, Kū 'oko'a e ku'u lāhui.

Principal's Message

Aloha Parents and Guardians,

Mahalo for all of the support during this school year. The campus climate is positive and there is learning that can be seen and heard everywhere. Students are working hard to grow in all areas and I encourage families to continue to talk about the learning that is happening in school. All students have iReady goals and books that they are reading in class, and are participating in our social-emotional learning program Choose Love.

I am pleased to report that we have seen a great reduction of COVID cases on campus as a result of the community working together to keep one another healthy. We can all anticipate that vaccinations will soon be available for keiki 5-years-old and older and I recommend that families consult with a medical professional and consider vaccination for your keiki.

Lastly, I encourage all families to continue to be involved in our school in as many ways as possible and to be in close contact with their child's teacher. Please feel free to join me for virtual Principal Coffee Hour at 7:15 a.m. on Fridays or at our Local Advisory Panel meeting to hear what is happening at our school. We truly appreciate our partnership with our parents. Mālama pono

School Director

Aloha Kamaile Academy 'Ohana,

We are well into the 2nd Quarter of the 21/22 school year. We are excited to see our children grow and strive to learn. As all of you know we are seeing fewer incidences of COVID-19 cases in the state but Kamaile will continue to maintain mitigation strategies to continue a safe and healthy place for students to learn.

Parents, if you have a MiFi that is no longer working, please turn it into the front office at your earliest convenience. Mahalo

How do I get in touch with my keiki's kumu?

Visit www.kamaile-academy.org. Click on the [About](#) section, then click on [Faculty & Staff](#) to be redirected to the page listing all of our faculty and staff, organized by grade level or department.

Sign in to ClassDojo or Seesaw (PreK only). You should have received information from your keiki's kumu on how to sign in and view school/classroom announcements.

Call (808) 697-7110. Leave a message during school hours for your keiki's kumu to call you during non-instructional time. No calls will be forwarded to kumu during instructional hours.

COVID-19 Vaccination Clinic

Vaccinations for Under 12-years old

We are all anticipating the emergency use authorization of the COVID vaccination for keiki over 5 years of age to be approved by the FDA. Kamaile Academy, in partnership with our community health professionals, is working on organizing a free vaccination clinic on campus soon after the approval, and we are asking parents to complete this brief survey to support with planning.

Use QR code or <https://bit.ly/11KAPCS2> 1 to fill out the survey.
