 - All Elementary Device Return Make-ups

Summer Learning at Kamaile

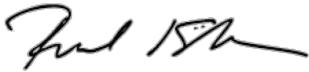

Kamaile will be running a summer program for some of our students. Space is very limited so unfortunately participation will be by invitation only. Kamaile staff will be in touch soon regarding program details for selected students. Please continue to check Class Dojo for updates. Should you have any questions in the meantime please feel free to contact info@kamaile.org.

Looking ahead to next school year

In alignment with the Department of Education, Kamaile Academy is planning to fully open on August 3rd with daily in person learning. We ask that parents start planning to have **haumāna in school 5 days per week. At this time we are not planning to offer a school-wide 100% distance learning program.** Kamaile will be following the lead of the [Department of Health](#) in regards to safely returning to school. More information will be shared as we get closer to the start of the school year.

Again, mahalo for your continued support! Should you have any questions or concerns please feel free to contact your child's homeroom teacher, info@kamaile.org or call 808-697-7110. Have a wonderful summer!

Mahalo,

Paul Kepka
Principal
