Welcome Back to School

Principal's Message

Welcome to the start of the school year! It was exciting to see all of our students on campus as we launched a few weeks ago. Our school is fortunate to have a very qualified and dedicated faculty and staff, coupled with amazing students and families. I am confident that working together, we will make this school year a success.

Kamaile Academy will maintain its focus on high quality learning opportunities and safety for all our students. As we continue to address the COVID situation, we must all do our part to keep our Wai'anāe community healthy. The healthier our community is, the lower risk there will be for our students on our campus. Right now our Wai'anāe community has high levels of COVID-19 infection and positivity rates. Please do not attend large gatherings and consider getting vaccinated. 'A 'ohe hana nui ke alu 'ia. No task is too big when done together.

As we move forward, Kamaile Academy will continue to be innovative and utilize strategic partnerships to provide the best support for our students. We are eager to continue supporting families as they engage in their child(ren)'s learning, and look forward to the day we can gather on campus together again. Until then we will see you at our Virtual Back-to-School Night on September 9th. Please be sure to maintain close communication with your child(ren)'s teacher(s) and our school by using ClassDojo and monitoring our school website for the latest updates. Should you have any questions, concerns or suggestions, do not hesitate to reach out. Mahalo for allowing us to serve your keiki.

Thumbs up from Ayla during class

Mahalo to KAPCS Community Members & Partners

We rely heavily on our friends in the community, the Kamaile Academy 'ohana, partner organizations, and the kindness and generosity of those who support our haumāna through donations. This year, we received a very generous donation of school supplies from SportStan Hawai'i, and from the Gaston/Leong 'ohana.

Mahalo nui!

E ALOHA is to be, to do, and to embody everything that is ALOHA. E ALOHA is a call to action. In all that we do, say, think, and feel, we do so with courage, compassion, forgiveness, and gratitude. We do so with aloha. At Kamaile Academy, the multifaceted practice of aloha is grounded in respecting ourselves, others, and place. Through E ALOHA, we manage ourselves and our behaviors in relation to others and the space around us. Whether the learning space is here on campus or in your homes, E ALOHA never stops nor has any boundaries.

Everyone is responsible for E ALOHA. Our Deans, Counselors, Coaches, kumu and students alike are seen and praised for E ALOHA practices such as wearing our masks and keeping a safe distance from each other. Sometimes we need reminders to E ALOHA. We all have the courage and compassion to remind each other to do just that. We respect ourselves, others, and our place. E ALOHA kākou.

Free COVID-19 testing for our school community!

Mondays: Kamaile Academy 3:30 - 5:00 PM
drive-through located in the staff/makai parking lot for all community tests

Tuesdays: Waianae High School 1:30-5:00 PM

Welcome, Mr. C!

Aloha Kamaile 'Ohana,

I'm excited, honored and humbled to be part of the Kamaile community. I've been an educator in Hawai'i for 25 years. I taught high school at Farrington and Kea'au and worked as a school administrator at Mountain View Elementary and Wai'alaie Elementary. The reason I became an educator is to help students discover their passions and to prepare them for future success.

I look forward to working with the community to continue our path towards excellence. Our school encourages students and families to be engaged in learning and in our shared vision. Please do not hesitate to contact me if you have questions, concerns, or ideas that you'd like to discuss.

Sincerely,
John Constantinou
Vice Principal

How do I get in touch with my keiki's kumu?

Visit www.kamaile-academy.org. Click on the [About](#) section, then click on [Faculty & Staff](#) to be redirected to the page listing all of our faculty and staff, organized by grade level or department.

Sign in to ClassDojo or Seesaw (PreK only). You should have received information from your keiki's kumu on how to sign in and view school/classroom announcements.

Call (808) 697-7110. Leave a message during school hours for your keiki's kumu to call you during non-instructional time. No calls will be forwarded to kumu during instructional hours.

Attendance Challenge

Attendance is about more than just showing up for class. Attendance is about the learning that occurs when you show up. E Aloha is about respecting self, others, and place. Show respect for self by showing up to learn everyday. Learn from each of your classes in all of your subjects! Students, your challenge is for you to tell your parents what you learned in each of their subjects, even if it was just one thing. Parents and Guardians, your challenge is to E Aloha by taking "home attendance" and having your children share with you what they learned from each of their classes or subjects! It could be from PE, ELA, 'Ōlelo Hawai'i, music, maths, or during a Choose Love lesson!
