Aloha Kamaile Parents and Guardians,

Hau'oli Makahiki Hou! I am hopeful that this letter will find everyone in good spirits and good health.

I recognize that we are, again, at another juncture with this evolving pandemic. Our administrative team spent much of the winter break preparing for the start of the second semester and I am confident that we are prepared and ready to receive students and staff next week.

At this time, Kamaile is aligning with the DOE and planning for face-to-face instruction to begin on Tuesday, January 4th. It is possible that Kamaile will need to pivot some or all learners to temporary virtual instruction, so I ask that parents develop plans for at-home supervision of their children just in case.

I also ask that all parents and students review our [Kamaile Spring Semester Covid Response Plan](#) at [Kamaile-Academy.org](#). As we move forward, it will be of the highest priority to keep our school open so we all must do our part to ensure the well-being of ourselves and one another.

Mahalo for your continued support.
