Aloha Kamaile 'Ohana!

The first day of school for students will be Monday, August 1, 2022. Kamaile will be hosting an Open House night on the evening of August 18 for elementary and secondary students. We hope you'll be able to join us!

Great news! Kamaile will be participating in the School Supply Subsidy Pilot Program (SB2893) for SY 22-23, which is based on 100% Title I eligibility. This opportunity allows our school to provide your child with all or most of their school supplies for the year.

As we head into the next school year, Kamaile will continue to follow the most updated Department of Health Guidance related to COVID response. Please note that all learning will be face-to-face on campus and that all students, PreK-12, will be dismissed at 2:00pm. PreK and Kindergarten students may be dropped off and picked up from their classrooms. Kamaile will not be offering any distance learning options for SY 22-23.

More information will be out soon regarding uniform pickups and start of the year logistics.

Looking forward to a great school year,
- Kamaile Navigator Center & Administration Teams
